FREEDOM OF INFORMATION REQUEST

Dear Mr. Koch:

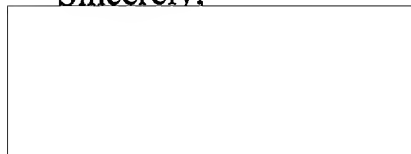

Under the provisions of the Freedom of Information Act, I hereby request the following records:

A copy of the contents of the administrative tracking file for each of the eight oldest FOIA requests pending at the CIA

This is an individual request for strictly noncommercial research and study purposes only. There is no commercial reason or component to this request. This request probably falls best within the "all other requesters" fee category. No review time should be assessed, and the first two hours of search time as well as the electronic equivalent to the first 100 pages of duplication should be provided at no charge. I agree to pay up to \$35 for costs, if necessary, but please note that search costs should be minimal because the records are all found in your office.

Thank you very much for your assistance.

Sincerely,
